Finance and General Purposes Committee

Clerk's Report- Appendix 26/064

1 **NHS breast screening unit**

The mobile breast screening unit is expected to arrive at the Fairground car park on 10 December and remain for approximately 12 weeks. The reduced parking capacity is being taken into account in the arrangements for the Christmas market.

2 **Four Houses Corner.**

Following the Clerk's enquiry, West Berkshire Council confirmed the limit on the number of units permitted per pitch and advised that it is aware of the reported issues and is addressing them. West Berkshire Council also confirmed that its Gypsy and Traveller Liaison Officer regularly visits all Gypsy and Traveller sites across the district.
