09/148 **To examine in detail and agree the content and items for inclusion in the Stratfield Mortimer Parish Plan Refresh Document:**

The Members of the Council carefully went through and agreed the wording for the entire action plan document (apart from the cover pages). The Clerk officially noted these changes on a master copy and it was agreed that Cllr Barker would initially make the agreed changes on behalf of the Parish Plan Working Party and then meet with the Clerk in order to check the changes made against the master copy. The Stratfield Mortimer Parish Plan Refresh Working Party will then subsequently meet to reflect these changes in the cover document which will then be put forward to the Parish Council for agreement.

The Meeting closed at 10.15 p.m.
