

Decision:

**Individual
Decision No:** ID2716

Portfolio Member: Councillor Pamela Bale Portfolio Holder for Highways, Transport (Operations),
Emergency Planning, Newbury Vision

Resolved that the Executive Member for Highways, Transport (Operations), Emergency Planning, Newbury Vision resolved to approve the recommendations as set out below:

That the revisions to the proposed restrictions as detailed in Section 4 of the report be approved.

That the remaining proposed restrictions be introduced as advertised.

That the parking scheme be monitored so that any parking displacement can be addressed as part of a future review.

That the respondents to the statutory consultation be informed accordingly.

We will now prepare our works instruction for our contractors to introduce the restrictions and will hope to have them in place by early November, subject to favourable weather conditions for the road marking contractors.

It is important to note that, as with all of our parking schemes, they will be subject to monitor and review to determine their effectiveness. If amendments are required this can be considered as part of a further parking review.
