#	Cllr. T. Reade proposed that agenda item 18/439 be discussed first, given the interest of members of the public present at the meeting, and this was AGREED .	
18/439	<p>To RESOLVE to support the APMF trustees in:</p> <p>a) submitting a planning pre-application to West Berkshire</p> <p>b) assisting the Mortimer Football Club (MFC) to remove the permanent flood lights.</p> <p>Cllr. P. Wingfield presented the paper and the following points were noted:</p> <ul style="list-style-type: none"> • The estimate for removing the lights is £500.00 • If additional mobile lights are required, the APMF Trustees don't envisage having to approach SMPC for assistance with their purchase. <p>Proposed by Cllr. P. Wingfield and seconded by Cllr. J. Bull, it was AGREED to support the APMF trustees with the proposed projects, with 9 votes in favour and 5 abstentions.</p>	
18/431	<p>Public Questions:</p> <p>The following were all in relation to 18/439:</p> <p>Mr. J. Wells expressed concern over the health and safety issues posed by portable lights, the potential noise from the generators and security issues.</p> <p>Mr. J. Hannawin confirmed that the portable lights, which are specifically for playing football, are already in use and enable training to take place on half a pitch. The lights are stored securely. The generators are quiet, but it is the aim of the Trustees to convert the power supply of the static lights to a source for the portable lights and the Trust has the financial means to achieve this.</p> <p>Mrs. S. Smith confirmed the use of portable lights preserves the playing surface because there is less wear and tear in any one area.</p> <p>Mr. M. Gabb stated that that the static lights are fit for purpose. The aim of Mortimer Football Club (MFC) is to build a better relationship between the club, the Trustees and the villagers. The static lights do have a monetary value which needs to be recouped by the club in addition to finding the money to remove them.</p>

18/433	To receive any declarations of interest and dispensations: Cllr. M. Dennett declared an interest in agenda item 18/449.

A similar register for s106 monies is being created. • HMRC had been underpaid by 60p and this is being paid this month. • At the start of the year, cemetery fees had been charged at the old rate but this has been rectified. • Budget tracking spreadsheets have been introduced. • Overall, the Internal Auditor is happy with the progress being made. <p>The report was received and noted.</p>	

18/439	Discussed and minuted above.	
18/440	<p>To RESOLVE to investigate the installation of electric car charging points in the village:</p> <p>Cllr. P. 18/442	<p>To receive an update on the Library Working Party and to:</p> <ol style="list-style-type: none"> 1. AGREE the next steps. 2. RESOLVE to approve the payment of £3735.00 as SMPC's Library contribution for 2018/2019. <p>Cllr. P. Wingfield presented the paper and the following points were noted:</p> <ul style="list-style-type: none"> • Reports received show that library usage is down. The Library Working Party met and identified actions to increase footfall. • Further to a meeting with the library staff, it was agreed to promote the activities and services offered by the library via social media. Other suggestions for increasing library footfall were positively received by the library staff and management. • Through devolution, Hungerford Town Council have taken over their library building with a 99 year lease. WBC continue to run the library service, but the building is now subleased to a charity which saves on costs and enables a greater use of the building. SMPC could look to following a similar scheme under devolved powers. • It could be expected that a loss of contributions to the library service would result in cuts to the service to the same extent. <p>Proposed by Cllr. P. Wingfield and seconded by Cllr. M. Locke, it was unanimously AGREED to establish a working party to further investigate the library plans and make the payment of £3735.00, as agreed as a s137 payment in the 2018/19 budget.</p>	Clerk

Lock reported that residents no longer wanting their green bin must let WBC know within 2 months, although it is hoped that the bins will continue to be used for food recycling.</p> <p>Cllr. G. Bridgman's report will be available next week, but the following points were noted:</p> <ul style="list-style-type: none"> • The Adult Social Care in-year (2018/19) overspend is in the region of £2.5m, not £200k as stated in Cllr. M. Lock's report. • The £240m in-year (2018/19) Adult Social Care funding for delayed transfers of care (DTC), or "bed blocking", announced previously has produced just over £500k for WBC. The £650m Social Care funding for 2019/20 announced in the budget is comprised of a further £240m for DTC, plus £410m for social care generally. If the same distribution formula is used (but the funding includes children's social care so it may not be) WBC will get about £1.35m. • WBC's budget consultation will begin shortly and conclude before Christmas. The main budget driver will be the Government's local authority financial settlement announced on the 6th December. • A Theale Lakes planning application was turned down by the planning inspector in the main due to WBC's five year land supply (ie housing number) being judged as adequate. • A further comprehensive response on the Fairfield Park is awaited from WBC Planning. Cllr. M. Dennett reported that SMPC Planning Committee agreed to write a further letter to WBC. Members of the public will be kept informed via Mr. P. Seward.
