19/50 To receive planning decisions and information from West Berkshire Council:

The planning decisions on the agenda were received and noted.

In addition, the following were noted:

19/00213/FUL Horse & Groom, The Street, Mortimer Common, Reading

Approved 07/06/19

AMENDMENT: Single storey side and rear extension to public house and restaurant area. SMPC had no objections to pergola.

19/00981/OUTMAJ Land South of Tower Gardens, The Street, Mortimer Common, Reading, Berkshire

Approved 11/06/19

Section 73: Variation of condition 6-approved plans of approved application 17/03004/OUTMAJ

SMPC Comments:

The Parish Council have no objections in principal to the variation of condition 6 on the approved plans of approved application 17/03004/OUTMAJ but did support the concern of residents on The Avenue in respect of the proximity of Plot 21 (formerly Plot 22 on original approved application) to the rear boundary. The position and size of the dwelling within the space on this plot has been amended and the house is now larger and closer to the rear boundary which will affect neighbouring properties **on the eastern boundary of the development**. For Plot 21 (formally Plot 22 on 2095 P 02 Site Layout rev G) the proposed variation reverses some improvement that had been made between the original application and the layout version approved.

The Parish Council referred to its comments raised on the issue of the proposed landscaping on the original application (17/03004/OUTMAJ) on 18 December 2018:

“The proposed landscaping strategy does not meet NDP policies GD1 and SDB4.

There is a gap in the landscaping which “should shield existing dwellings from the site but still allow open vistas”. This gap is on the western side of the public footpath which is on the eastern boundary of the site, particularly where houses 21 to 22 are situated. It is felt that the only way the policy can be achieved is by moving the houses further from the boundary of the site to allow for adequate landscaping.”

19/00696/CERTP

SMPC had no objections and WBC have approved the application, but there are outstanding issues regarding an archaeological survey linking back to a planning application from 2002.

19/00986/ADV

This was refused by WBC, but it refers to an advertising board only.

19/00981/OUTMAJ

Outline permission has been approved but concerns raised regarding Plot 21 have resulted in WBC moving the permitted development rights for this property. Any future developments for this plot will, therefore, require planning permission.
