The Parish council declares an interest in this application and therefore declines to comment.

- 11/01641/FUL 54 West End Road: Alteration to existing building and erection of 6 no dwellings and associated works. No objections.

The Parish Council wish to raise concern about the Nutka tree (TPO) and a well established hedge along the whole length of the eastern boundary. They would also like to remind WBC that it is the policy of the Parish Council, following a public consultation in 2007, that it is opposed to the installation of street lighting which would apply to this development.
