6. Repeated fly-tipping at land adjacent to College Piece, Mortimer

Sovereign Housing have been involved as there is no obvious vehicular access so the fly-tipping is more likely to have been committed by locals on foot. As the waste has been dumped on private land, WBDC is not responsible for clearing it away.

Discussions are being held to see if it will be possible to provide a skip in the College Piece area to discourage further fly-tipping.

UFTON NERVET

A local farmer who had experienced numerous groups of teenagers, dog walkers and picnickers using one of his fields without permission has offered his thanks to Thames Valley Police for their prompt response and support in addressing this problem.

Ufton Nervet still have ongoing issues with speeding vehicles in the Church & School areas.

The playground does not allow dogs, but a small minority of people have been taking their dogs into the playground which has prevented other locals from using the facility. Could TVP possibly visit the area if time permits & ask the dog owners to refrain from taking their dogs into the playground area.

A security camera that was placed on some residential gates has been taken.

WOKEFIELD

Nothing to report.

14. AOB

TVP are looking to introduce the possibility of 'ride along' offers for Parish Council representatives after the Covid-19 restrictions have been lifted. The offer is to join an evening TVP vehicle patrol with the neighbourhood policing team for an hour+ in our local area to help understand how the neighbourhood policing team approach prevention and incidents. A short application form will need to be completed by any Councilors applying for the opportunity.

Mortimer are intending to host a Queen's Platinum Jubilee celebration on Friday 3rd June and Saturday 4th June. Graham B asked if TVP would like to have a stand at the function (as they have for previous events).

Date of next meeting

Next meeting will be on Wednesday 11th August at 7pm. The location is to be confirmed.

Meeting closed at 20:07.
