

Stratfield Mortimer Parish Council

Roads, Footpaths and Commons Committee 22/09/2020

West End Road Car Park

Agenda item 21/017 2: To review the maintenance of the left-hand border and RESOLVE any actions to be taken and budget required.

BACKGROUND

The resident in the house alongside the car park raised the issue of the ivy which was invading their property through the fence. The photos below show what the area was like.

The Village Custodian has been working to clear the Ivy and ground vegetation, but the boundary panels are broken and look to be in poor condition as per the following photos:

There is currently £1,000 in the budget for West End Road car park.

West End Road car park is leased by SMPC from WBC.
