

Strategy Working Party online meeting 23/8/21 minutes

Attendees: Graham Bridgman, Steve Hill, Nick Carter (chair)

Apologies: Danusia Morsley, Keeleigh Field

1. Exercise equipment

Three quotes are progressing, with thanks to work by Amanda

We should (NC will) check with the Clerk if this tendering should be published on the government web site.

We hope to be able to use the Members bid grant of circa £800

2. Stephens Firs Tumulus

Danusia sent written update owing to illness:

Caroline Booth at WBC for the tumulus project is not responding, despite engagement of support from Cllr Bridgman. Cllr Morsley is reluctant to progress with bench and sign until its confirmed that WBC has sorted out putting in the heather as we don't want to encourage people in there until the tumulus is protected.

3. Allotments

Details to follow
