### NP Steering Group Report

- Research on the single policy (reserved land) update to the NDP has included positive meetings with the school who report significant progress in discussions with TAF about possible ways the land can be used for educational purposes. A meeting of school, WBC, TAF and SG members is to take place. A meeting with relevant health authority personnel is also being arranged.
- Initial work on the full new NP has resulted in the drafting of an “NP issues awareness” leaflet which will be delivered to all households and published on social media
- It was agreed to join an organisation called Locality which provides support for local community organisations including Neighbourhood Planning with financial grants and access to specialist professional advice.
- The issue of a new website is yet to be resolved.
- John Bull has resigned from the Steering Group.
- Danusia Morsley has resigned from the Steering Group.
- Jo Wines is taking up the chairmanship from next week
