

Stratfield Mortimer Parish Council
Fairground and Cemetery 30/11/2021
Play Equipment

Agenda item 21/042 6. To review the maintenance work required and agree associated expenditure.

BACKGROUND

Play area work previously considered has now been done apart from obtaining anti-climb signs for the MUGA.

The first quarterly maintenance inspection was undertaken by Vita Play in July – document 21-042 6.1 and from this it is recommended that the following work be undertaken:

- Motorcycle Rocker – replacing spring bracket
- Steppingstones – repairing/replacing the rubber joint that is begging to open up
- Seesaw – repairing the damaged surface areas
- Titan Rotator – replace seat sleeve

There is approximately £4000 remaining in the budget for 2021/22.
