

Bloomfield Hatch Solar Farm - Community Engagement

How to get involved and have your say ...

We would like to receive input from the local residents, businesses and other stakeholders regarding the proposals to build a solar farm at Bloomfield Hatch farm. You can provide your input into the project development in one of the following ways;

Complete a postal survey ...

We have attached a postal survey form to this letter, which you can return to the following address;

Bloomfield Hatch Solar Farm Engagement
C/O Horizon Power & Energy Ltd
2 Venture Road
Southampton Science Park
Chilworth,
Southampton
SO16 7NP

Complete an online survey ...

If you would prefer to complete an online survey, please scan the QR code to the right, or use the hyperlink here ...

Once we have first contacted residents and stakeholders that are local to the proposed solar farm site, we will establish a facebook page, which will be updated from time to time.

Attend a community event ...

During late April and early May, we will be running three community engagement events at Grazeley Village Hall. The proposed timing of the events is shown below. The community events are 'drop in' sessions and do not require any pre-booking. Simply come along at any time during the opening times below to discuss the project with a member of our team, and to provide your feedback on the day.
