The Minutes of the Planning Committee meeting held on 27th January 2022 were
received and APPROVED for signature by the Chairman as a true record of the
meeting.

It was noted that under 21/00110b.i, the letters on the Basingstoke and Deane Borough
Council Local Plan update were being delivered to residents on Turks Lane on Friday,
11th February.

The Chairman also advised that under 21/00110b.ii, there had been no further update
from West Berkshire Council regarding the issue raised with them on missing orange

21/00120 Schedule of Planning Applications

To The following planning applications were considered for comment to West Berkshire Council:

22/00062/HOUSE: 61 Victoria Road, Mortimer Common, Reading, West Berkshire, RG7 3SL

Two storey side and single storey rear extensions.

SMPC Comments: No objections.

22/00229/HOUSE: 30 St John's Road, Mortimer Common, Reading, West Berkshire, RG7 3TR

Demolition of the existing conservatory, proposed ground floor rear/side extension to provide a larger kitchen and living areas, as well as a first floor side extension providing a larger master bedroom.

SMPC Comments: The Committee noted no orange notice had been displayed at the site and no copies of the plans/drawings of the proposed development were available to the public from West Berkshire Council's planning portal at the time of this meeting. As this could be seen as an overdevelopment on the site, the Committee was concerned that neighbours would not be aware of the proposal and not able to indicate their concerns to the Parish Council or directly to West Berkshire Council.

21/00121 Items for information only

- a. **Planning decisions/notices from West Berkshire Council.**

The list of planning decisions and notices received from West Berkshire Council since the meeting on 27th January 2022 was received.

21/02863/HOUSE: 72 Windmill Road, Mortimer Common, Reading, West Berkshire RG7 3RL

Retrospective entrance gates.

GRANTS RETROSPECTIVE– 1 February 2022

SMPC Comments: The Committee noted that these gates had been in situ for a while already and had no objections in principal but agreed they were not in keeping with the street scene. Had this not been a retrospective application, the Committee would have objected on these grounds.

Updated Comments on 17.12.2021: Were this a correctly timed (i.e. before the gates were installed) application, the Committee might have been mindful to object on the basis of not in keeping with the street scene, as it would not wish to see such gates all the way along the road. As the gates have been in situ for over a year with no one calling them to the Committee's attention, the Committee has no objection to permission being granted in this case. This does not set a precedent.

21/03100/HOUSE: Oakleaves, The Street, Mortimer Common, Reading, West Berkshire RG7 3RN

Garden Room.

GRANTED – 2 February 2022 (*includes Condition 4 relating to tree protection*)

SMPC Comments: No objections but the Committee would like to query whether the large oak tree observed at the front of the property was within falling distance of the dwelling as this was not mentioned in section 6 of the application form.

21/02347/RESMAJ: Land South of Tower Gardens, The Street, Mortimer Common, Reading, West Berkshire
