Our workshops will cover the following themes and we would like you to tell us what you think our Neighbourhood Plan should focus upon:

-  Natural Environment
-  Landscape and Streetscape
-  Community Services and Facilities
-  Homes and Housing
-  Employment
-  Highways and Transport

**We need your input! Come  
and talk to us and help  
shape the future of your  
Parish.**

**Please come and tell us what would you like your  
Plan to contain?**

The ideas of the local community are vitally important in creating a successful Neighbourhood Plan. We are keen to hear from all age groups including children and people between the ages of 16-24 who are often under-represented.
