

Stratfield Mortimer Parish Council
Communications Working Party report for
Full Council 12/01/2023

Agenda item 22-104 3: Communications Working Party

The working party aims to issue a parish council newsletter alongside the MVP magazine, to make use of the common distribution network. The next such opportunity is a Feb 2023 delivery.

Please let Cllr Carters, Kilshaw or Bridgman know if you can identify and/or write content for inclusion so that we can establish whether we have enough material to justify a Feb publication.

Please advise as soon as possible and in any event by **19 January**.
