Erection of a single storey rear extension.

APPEAL DISMISSED –3 November 2022

Inspector's Conclusion:

- The scheme would fail to provide an appropriate means of access by emergency services, and that it would also cause limited harm to the living conditions at No 24C (King Street).
- The scheme's limited benefits would not outweigh the combined harm that it would cause. It would conflict with the development plan when considered as a whole.
