

**Stratfield Mortimer Parish Council**  
**Strategy Working Party report for**  
**Full Council 9th February 2023**

**Agenda item 22/117 6: Strategy Working Party**

**1: CCTV**

The supplier conducted a site visit which confirmed how and where installation will be done. Following indicative support, the fairground trustees' are voting in February on their approval of our installation of equipment on our property. Discussions between Cllr Brigdman and the Clerk indicated that planning consent should be sought owing to the height of the camera mounting.

**Action:** The Clerk (planning consent)

**2: Allotments**

see the [last report](#)

**3: EV charging**

A public call for sites issued. We are awaiting news from WBC on the result of their supplier tender/grant application process that might allow some roadside chargers to be installed in Mortimer.

Cllr Nick Carter 20/01/23
