

Managing Speed in Our Village

Cameras

- Speed Indicator Device (SID)
- Automatic Speed Watch Camera (ASWC)
 - Records Speed
 - Photographs & Data
 - Police Action
- Strategy

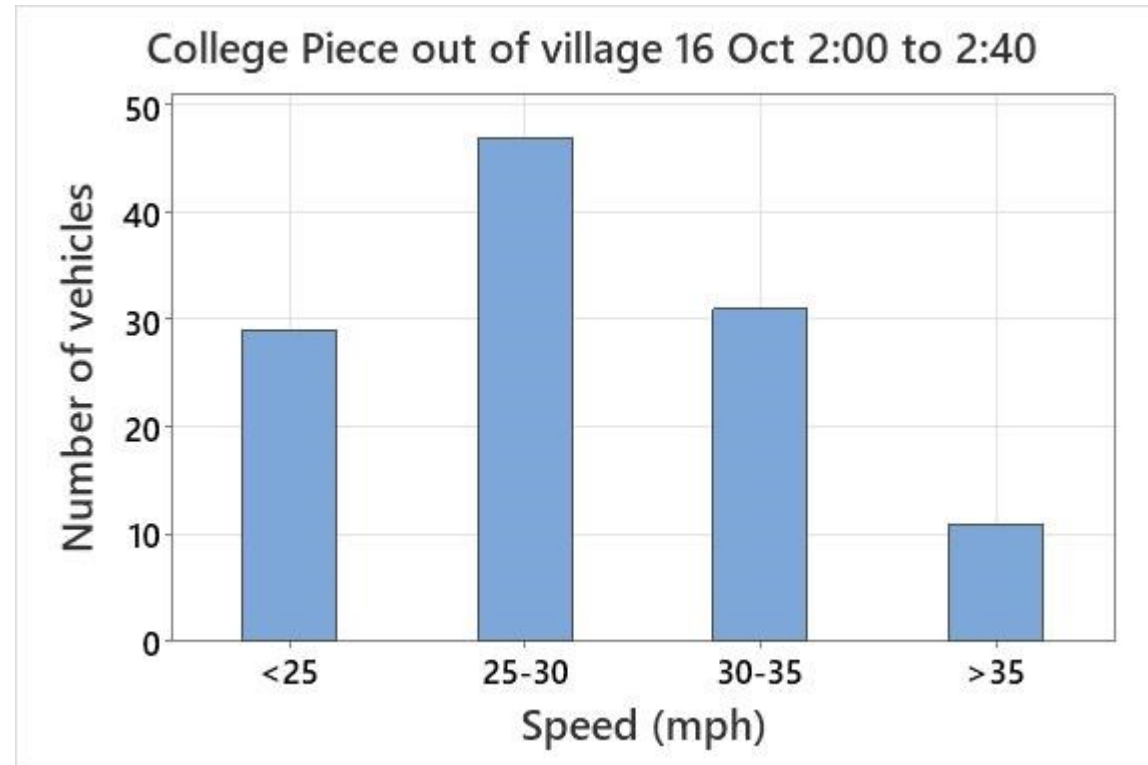

Example SID Data

36 of 108 vehicles (33%) exceeded 30 mph and 11 vehicles (10%) exceeded 35 mph

Example SID Data

42 of 118 vehicles (36%) exceeded 30 mph and 11 vehicles (9%) exceeded 35 mph

Example of
ASWC camera
photograph

Recorded as
41 mph

Example ASWC data :

Camera set to 30 mph so only records those doing 31 mph or greater

At Alfred Palmer coming into village around 8am 63 vehicles > 30 mph and 16 reported to police

At College Piece coming into village at 3pm 77 vehicles >30 mph and 14 reported to police

Going Forward

- Increase Deployment Frequency
- Identify New Hotspots
- Manning
- Can you help?
 - Camera Deployment
 - New Neighbourhood Plan
