

## **Stratfield Mortimer Parish Council**

### **Statement of Internal Control**

#### **Review as to the effectiveness of the system of internal controls**

##### **Scope and Responsibility**

The Council is responsible for ensuring that business is conducted in accordance with the law and proper standards; and that public money is safeguarded and properly accounted for, used economically, efficiently and effectively.

In meeting this responsibility assurance is required that there is a sound system of internal control and that the Council's accountability framework is 'risk' based; proportionate to that risk and to the amounts of public money involved and to the stakeholders' need for assurance.

##### **Purpose of the System of Internal Control**

The system of internal control is designed to ensure that risks are managed to a reasonable and acceptable level forming part of an ongoing process designed to identify and prioritise the risks to the authority's policies, aims and objectives; and to evaluate and manage those risks accordingly.

##### **Review of Effectiveness**

An annual review is to be undertaken by the Finance and General Purposes Committee which reports directly to the Council; in addition, it is the responsibility of the Finance and General Purposes Committee to review the Risk Register/Tracker on an annual basis.
