##### 22/0232 Items to be taken into private session

None.

##### 22/0233 Current Projects

To receive any updates on current projects and consider any recommendations for resolution as reported:

**a. Tower House Farm (MOR006: Land south of Tower Gardens) Planning Application**

Cllr. Morsley attended the Eastern Area Planning Committee on 26<sup>th</sup> April and spoke on behalf of the parish council in opposition to the planning application 23/00072/RESMAJ called in by District Cllr. Bridgman. Cllr. Morsley gave a report of the meeting and confirmed that the EAPC had voted by majority to refuse the application. In due course, the developer may either submit alternative plans for the public open space or would make an appeal against the decision. It was noted that the EAPC was concerned with the appearance of the proposed retaining wall in relation to the surrounding location but the issue of safety, raised in the parish council's original comments on the application, was not referred to during discussion at the EAPC meeting.

Cllr. Morsley recommended Committee members review the recording of the EAPC meeting as the Committee is likely to have to consider this issue again in the future.

Cllr. Morsley thanked Mr. Pat Wingfield for his original input and technical advice given to the parish council on the developer's site succession of applications.

**b. Tower House Farm (MOR006: Land south of Tower Gardens) Biodiversity and Green Space**

Not reported.

**c. Mortimer Station Car Park**

Cllr. Geary reported that the Station Car Park Working Group had met with Englefield and Great Western Railway last week and ProVision was in attendance on behalf of the parish council. Neil Kiley gave them an estimate cost of £20,000 required to fulfil the pre-conditions on the planning application but this would not be the extent of funding needed. Additional costs would be involved in getting the lease drawn up, the farmer compensated and rent paid from the signing of the lease. GWR and Englefield reiterated that they currently had no funding available over the next couple of years. There was a suggestion at the working group meeting that the parish council take up the ownership of the land from Englefield, but it was not thought to be a good idea for SMPC to cover the £20,000 and unspecified future costs outside the parish council's control with no certainty of the carpark being built. Englefield stated they did not want the land left idle for a long period by a change in the current lease. Should the application lapse, any future application may be more favourably looked on by West Berkshire Council having granted 20/00674/FUL in 2020.

After discussion on the working group's report, Cllr. Geary proposed that the Committee recommends to Full Council that the planning application is allowed to lapse.

Seconded by Cllr. Hill.

AGREED unanimously.

**22/0234 Schedule of Planning Applications**

To consider the following planning applications:

**23/00738/HOUSE: 18 Croft Road, Mortimer Common, West Berkshire RG7 3TS**

Erection of conservatory (with glazed roof) at the rear of the property. Conservatory, 4m deep x 3.25m wide and approx. 3m high.
