AWAY DAY AGENDA AND THEMES TO CONSIDER

- Introduction and icebreaker. Who you are, where you hail from, how you came to live in Mortimer, what you do/did/have done to earn a crust, family, interests, and anything else you want to tell us.
- What should the vision for Mortimer be – what do we want to do over the next few years? Up to now, how have we done regarding projects and what has it cost? What money have we got or are we likely to get?
- How do we do with project planning – how should we do?
- Update on projects in the safety of a confidential get together – how are we doing (Neighbourhood Plan, Footpath/Cycleway, Greening, etc).
- How can we better engage the community?
- How do we help Lynn, Bernise and Frank in what they need to do?
- Do our systems work and what could we do better? – Sharepoint, Email, etc.
