ANNUAL GOVERNANCE AND ACCOUNTABILITY REVIEW (AGAR)

Agenda item 24/008 3a:

To receive and consider AGAR Section 1 – Annual Governance Statement 2023/24 for presentation to full Council.

For each financial year, The Accounts and Audit Regulations 2015 require smaller authorities¹ to conduct a review of the effectiveness of the system of internal control and, as part of that review, prepare an annual governance statement in accordance with proper practices in relation to accounts.

The purpose of the annual governance statement is for the authority to report publicly on its arrangements for ensuring that its business is conducted in accordance with the law, regulations and proper practices and that public money is safeguarded and properly accounted for.

As an authority receiving income in 2023/24 between £200,000 and £6.5 million SMPC must complete AGAR Part 3. This includes Section 1 as follows.

AGAR SECTION 1 - ANNUAL GOVERNANCE STATEMENT 2023/2024

Section 1 consists of a series of governance statements, known as assertions, which are read out and considered one by one by the Council.

Depending on the actions taken either during the financial year or after the financial year-end, the Council needs to answer, 'Yes' or 'No' to each assertion. If it is not possible for the Council to respond 'Yes' to any assertion, an explanation must be provided to the external auditor describing how the Council will address the weaknesses identified.

Section 1 of the AGAR is signed by the Chairman of the meeting and the Clerk, and the date and minute reference of the meeting recorded on the form. The Council **MUST** approve Section 1 before approving Section 2.

Below are the "assertions" and details of appropriate evidence to support a 'Yes' answer to each assertion. Further information can be obtained from: ***JPAG – Joint Panel on***

¹ A smaller authority is an authority that has gross annual income or expenditure (turnover) below £6.5 million.
