

Stratfield Mortimer Parish Council

Roads, Footpaths & Commons 17/10/2024

St Mary's School and The Street Parking

Agenda item 24/021 7. To receive an update and:

- a. consider the responses received regarding the repainting of the white lines.**
- b. agree any further actions regarding the issues and potential solutions around parking on The Street in the vicinity of the school.**

BACKGROUND

At the Roads, Footpaths and Commons meeting on 1 February 2024, under agenda item 23/029 1.b it was agreed that the Council would write to seven households along The Street with white lines marking the driveways with dropped kerbs and offer to contribute 50% towards the cost of repainting of the white lines. The cost to repaint the white lines is £250 (£125.00 per semi-detached property).

In August, a letter was posted through each resident's door. To date 3 responses have been received of which two residents were willing to contribute to the cost of repainting, and one was not.
