

Road Classification: Classified Unnumbered

Road Number: N/A | Length: 0.05km

Direction: E / W

Overall Compliance (speed vs limit): -4.7mph

Average Speed (All Day)

Both Directions: 25.3mph

Direction A: 25.5mph

Direction B: 25.2mph

85th Percentile Speed (All Day)

Both Directions: 32.3mph

Direction A: 32.1mph

Direction B: 32.6mph

Data Source

The data shown in this report is captured via GPS devices within connected vehicles (excl motorcycles) travelling on the road network every day. Speed data is matched to the OS Highways network and compared against speed limit data provided by Highway Authorities across the UK.

Connected vehicles represent a sample of all vehicle traffic, so whilst this data is not reflective of all vehicle speeds, comparisons with ATC data has shown it to be a fair indicator of typical traffic speeds.
