No assessment of heritage or conservation impacts

The templates below are example statements to help guide your objection—please adapt them and express the points in your own words

- ‘The site lies close to heritage assets and historically significant landscapes, yet the Plan contains no heritage impact assessment. This omission breaches national policy.’
- ‘Without assessing the setting of nearby listed buildings or conservation areas, the Plan cannot ensure the protection of heritage significance.’
- ‘Historic England guidance requires early-stage heritage evidence, which is missing, making the allocation unjustified.’
- ‘Failing to understand how 350 homes would affect the village’s historic features undermines the proposal’s credibility.’
- ‘The Plan must demonstrate that development will preserve or enhance heritage assets; as drafted, it cannot.’
