

# Parish Boundaries & Funding

No council tax or developer funding would go to the authorities providing the services

**The templates below are example statements to help guide your objection—please adapt them and express the points in your own words**

- ‘The authorities providing education, health and community services would receive no council tax or CIL contributions from this development, making it financially unsustainable.’
- ‘This funding imbalance undermines the deliverability of essential public services.’
- ‘Without a clear mechanism to transfer developer contributions, the proposal fails the effectiveness test of soundness.’
- ‘Service providers cannot plan expansions if they receive no financial support from the development generating the demand.’
- ‘The absence of a cross-boundary funding strategy is a major structural flaw in the allocation.’
