

Infrastructure & Services

No plan for community services such as post office/banking

The templates below are example statements to help guide your objection—please adapt them and express the points in your own words

- ‘Mortimer has already lost essential services such as its Post Office, and the Plan does nothing to address this decline despite proposing large-scale growth directly dependent on such facilities.’
- ‘The allocation provides no strategy for ensuring that residents of 350 new homes will have access to local retail, postal, or financial services, making the site unsustainable.’
- ‘A development of this size must contribute to strengthening community amenities, yet the Plan includes no proposals, funding mechanisms or partnerships to restore lost services.’
- ‘Without a plan for community services, the proposal risks creating car-dependent households who must travel elsewhere for everyday needs—contrary to sustainability objectives.’
- ‘The failure to consider the pressures on existing limited services means the Plan cannot be considered well-prepared or effective.’
