

# Site Selection & Neighbourhood Plan

Reasonable alternative sites not properly explored

**The templates below are example statements to help guide your objection—please adapt them and express the points in your own words**

- ‘The Plan does not present a clear comparative assessment of alternative sites, making the allocation appear arbitrary rather than evidence-led.’
- ‘Site selection must demonstrate that reasonable alternatives were considered equally. This Plan does not.’
- ‘Without a published methodology and scoring process, residents cannot understand why this site was chosen.’
- ‘Other potentially more suitable sites appear to have been dismissed without explanation.’
- ‘This lack of transparency compromises the Plan’s justification.’
