Traveller site inclusion lacks justification or need evidence

The templates below are example statements to help guide your objection—please adapt them and express the points in your own words

- ‘The Plan proposes a traveller site without providing evidence of need, demand, location suitability, or alternatives, making this part of the allocation unjustified.’
- ‘Gypsy and Traveller accommodation must be based on an up-to-date needs assessment, which has not been presented.’
- ‘Combining a large housing estate with an unassessed traveller allocation raises deliverability and social cohesion concerns that have not been addressed.’
- ‘Without clear evidence or engagement, this element of the proposal appears arbitrary rather than evidence-led.’
- ‘National policy requires that Gypsy and Traveller sites be planned transparently and on the basis of need; this has not been demonstrated.’
