

# Stratfield Mortimer Parish Council Report

**Date 29/01/2026**

## **Committee Meeting**

### **Appendix 25/060 2 Council Logo**

Below is a selection of new logo designs for us to consider, to decide on a general theme of shape and content to take forward. I am aware that there are some tweaks required such as spelling in some cases.

The Mortimer Lion in our current logo is a familiar shape and there was very strong advice from the Mortimer Historic Society that it should remain a part of the logo theme.

The logo needs to be reproducible and appropriate for all SMPC dealings, including the website, letters and communications and any future banners, clothing etc. It is likely to remain black and white.

We need to decide on the following:

- Outline shape
- Preference for motto or not (it translates to “For the good of the community”)
- Whether to include the St John’s Church and Oak Tree images
