

Stratfield Mortimer Parish Council Report

12/03/2026

Full Council

Clerk's Report- Appendix 25/089

1 Summerlug

The local volunteer group *Greening Mortimer* has recently completed a series of environmental works in Summerlug. This included the cutting back of laurel to improve biodiversity and the installation of tawny owl stands to enhance local habitat provision. The project supports the parish's ongoing ecological and conservation priorities.

2 Officer Appraisals

Annual appraisals for all council officers have been completed in February.

3 GDPR Audit

The Council's GDPR audit has now been completed. The audit, undertaken at a cost of £25, confirms continued compliance with data protection legislation and best practice requirements. Any minor recommendations identified will be implemented as part of ongoing governance review.

4 Mortimer to Burghfield Cycleway

An application has been submitted to West Berkshire Council to discharge the planning conditions associated with the Mortimer to Burghfield Cycleway project. Vegetation clearance works are scheduled to commence in March and will be completed ahead of the bird nesting season in April.

5 Fairground Fence

Works to install the new fencing at the Fairground are nearing completion, with only minor finishing elements remaining.

6 Bus Shelters

All new bus shelters have now been installed and are in place across the parish.
