Officers of the Council

Miss D Davis.

Public/Press

There were three members of the public and no members of the press in attendance.

Commencement

The meeting commenced at 19:30

#A minute's silence was held for former Councillor Mr S Beard.

Part I

25/110 To receive any apologies for absence

Apologies were received from Cllrs Allan, Kilshaw, Saunders and Todd.

25/111 To receive any declarations of interest

To receive from Members at this point, or at any point during the meeting, in respect of any items included on the agenda, disclosure of any interests, and/or gifts and hospitality, in line with the Parish Council's Code of Conduct.

Cllrs Bridgman and Hill declared a non-pecuniary interest due to their involvement in the planning of the Transport Through the Ages event. No other declarations were made.

25/112 Public Questions

- Representatives from the Transport Through the Ages event attended to outline the background to the event, which previously raised £10,000 and aims to raise a similar amount this year for charity. They explained the event has a budget of approximately £7,000, creating financial risk for the organisers, and asked whether

the Parish Council could provide financial support. It was suggested that the request be considered by the Community Committee at its meeting on 23 April, and that the organisers provide further details, including the acts planned. The organisers were invited to attend that meeting, where the matter will be listed on the agenda. They also asked whether the Parish Council would like a stall at the event; this will be considered by the Community Committee.

- A resident raised a query regarding the installation of the new Fairground Fence and the removal of a stile near the zebra crossing and asked whether it would be reinstated. It was noted that the stile had previously been reviewed due to safety concerns about children running from the field onto the road, but the Council had been under the impression it would be replaced.

Action: The Clerk will raise the matter with the contractors for clarification.

25/113 Minutes of last meeting

To approve the Minutes of the Full Council meetings held on 15 and 29 January 2026.

The Minutes of the Full Council meetings held on Thursday 15 and 29 January 2026 were received with a minor amendment and each approved for signature by the Chairman as a true record of the meeting in question.

25/114 Chairman's remarks

- The Chairman reported that correspondence had been received regarding Local Government Reorganisation and an invitation to respond to the consultation. Councillors discussed whether the Parish Council should submit a response, noting the tight deadline of 26 March. Some councillors indicated they may attend a related meeting on 18 March; the Clerk will confirm the location and circulate details. Discussion also included the proposed headquarters location and potential issues relating to Tilehurst.

Action: The Clerk to obtain details of the meeting on 18 March and circulate to councillors.

- The Chairman also proposed starting discussions about producing the annual printed newsletter in June, following the Annual Parish Meeting and the Annual Meeting of the Council. It was agreed that the newsletter should not duplicate articles already included in the monthly news bulletin.

25/115 Clerk's report

The Clerk's report was received.

The next step is expected to be Regulation 19, at which point the Steering Group will review which sites are progressing and discuss next steps.

Cllr Geary attended two recent Basingstoke and Deane Cabinet meetings where Regulation 19 was mentioned, although not in detail. Cllr Geary will circulate a note of the meetings to councillors.

5 **Fees and Charges 2025/26**

a **To consider the Community Committee's recommendation that charges for use of the Fairground be removed for small-scale regular community activities (eg children's sports or exercise classes), with charges retained for large-scale commercial events such as fairs and circuses.**

The Council considered the Community Committee's recommendation to remove charges for small-scale regular community activities at the Fairground, while retaining charges for large commercial events such as fairs and circuses.

It was suggested the matter should first be reviewed by the Estate Management Committee, as it had not yet considered the proposal. Discussion also included

whether fairs and circuses should be charged for the full period they occupy the site, not only the days they operate. Councillors also noted that if the site were free for small-scale activities, it could encourage greater community use of the Fairground through promotion of the space.

It was agreed the matter will be discussed by the Estate Management Committee and brought back to Full Council for resolution.

- b Under Standing Order 86, with the Chairman's agreement, and following correspondence from Mortimer Tennis Club, to reconsider the recent resolution (Estate Management Committee meeting on 22 January 2026) regarding the method of calculation of Fairground fees and charges.**

8 Draft Timetable

To approve the meeting timetable for 2026/2027 as recommended by Finance and General purposes.

Council considered the draft meeting timetable for 2026/2027, as recommended by the Finance and General Purposes Committee.

A suggestion was made to spread meetings across multiple evenings; however, the majority preferred meetings to remain on a single evening to keep other evenings free.

Cllr Bridgman proposed the resolution to approve the timetable (v9.4 of the circulated spreadsheet), Cllr Hill seconded.

25/122 Items for information only

1 District Councillor Report

The District Councillor's report was received. It was suggested that the report lacked detail. Discussion followed regarding the implementation of 20mph speed limits. It was explained that West Berkshire Council is generally only considering such reductions where residents submit petitions requesting them.

None.

25/123 Action Trackers

3 Community 25/123.3

The Action Trackers were noted.

25/124 Minor matters

- A query was raised regarding posters and advertisements appearing on street furniture and trees in the village. While Parish Council policy allows for their removal, it was noted that enforcement can be difficult.
- It was noted that an item regarding Land at West End, Mortimer will be discussed at the next West Berkshire Council meeting; this will be passed to the Steering Group.
- An update was provided regarding the Pizza Press van. It was suggested that, under the lease with West Berkshire Council, the Parish Council cannot charge for its presence, including a peppercorn fee. The Clerk advised she had been seeking clarification from West Berkshire Council and will be provided with a contact to follow up by Cllr Carter.
- It was reported that the application seeking discharge of planning conditions relating to the cycleway will be chased.

Cllr Bridgman proposed that the recommendations be agreed and Officer contracts amended accordingly.

Cllr Morsley seconded.

Resolved unanimously.

4 Fees and Charges 2025/26

- a **To consider the Community Committee’s recommendation that charges for use of the Fairground be removed for small-scale regular community activities (eg children’s sports or exercise classes), with charges retained for large-scale commercial events such as fairs and circuses.**

Minuted at Part I.

- b **Under Standing Order 86, with the Chairman’s agreement, and following correspondence from Mortimer Tennis Club, to reconsider the recent resolution (Estate Management Committee meeting on 22 January 2026) regarding the method of calculation of Fairground fees and charges.**

Councillors discussed the background to the rounding of discounted fees for the use of the Fairground, and the cumulative difference that had resulted from applying percentage increases to previously rounded figures. It was suggested that the percentage increase should have been applied each year to the previous year’s calculated fee without rounding, rather than the already rounded figure.

It was proposed that this should be the method of calculation in the future. For 2026/27 this would appear as a 0% increase for the year, reflecting the correction.

Cllr Bridgman proposed that Column T of the spreadsheet underlying the discussion be used to form the fees table. Seconded by Cllr Hill.

Resolved unanimously.
