District Councillor Report

Report to Parish Councils – Sept '26

Since my last report I have attended the Devolution Advisory Group and Full Council, together with four site visits in my role as a member of the Eastern Area Planning Committee.

Further to the motion agreed by West Berkshire Council in July concerning Basingstoke & Deane's Local Plan proposals, including housing at Mortimer West End, the Leader of West Berkshire Council is writing to the Leader of Basingstoke & Deane Borough Council. I also intend to speak at Basingstoke & Deane's Cabinet meeting on 8 September and pop along to Burghfield Parish Council's meeting on 10 September.

Further ward updates are available at the link below.
